Setting Display Info

Sometimes, you may want to adjust how information displays for a grouped work within Aspen Discovery. You can easily update how the title, author, series, or volume information displays without altering anything in the MARC record or item information.

6 Steps

Created by	Creation Date	Last Updated
Morgan Daigneault	May 13, 2022	May 13, 2022

Click on the title of the record you'd like to edit

Scroll down and click on Staff View to expand.

You need to be logged in as an administrative user with the correct permissions in order to access Staff View and the settings within.
